CHAUTAUQUA HERE ON NEXT MONTH

The Chautauqua will take place in Redwood City the latter part of next month. The program arranged for this year is very interesting. The problems of our present day reconstruction will receive first consideration from the platform. Two lecturers of special note are Adam Bebe, formerly Congressman from Minnesota and Edward F. Trefz, formerly Hoover's assistant, member of the American Food Mission to Europe and field secretary of the Chamber of Commerce of the United States. Another national figure at Chautauqua this year will be Private Peat with his lecture "Two Years in Hell and Back With a Smile." His book, "Private Peat," his articles in the national magazines and his moving pictures have made his name almost a household word.

The musical feature of the week will be the Czecho-Slovak band, a musical organization from that plucky little land of Bohemia, which so ably aided the allies in the world war. They are on their first tour through the south and all eastern reports on their appearances indicate that we have a remarkable group of musicians in the Czecho-Slovaks. They will give two full concerts ni Redwood City, June 4th.

The dates of the Redwood City Chautauqua being May 31st to June 6th.

The entire program will be materially stronger than ever before.

CITY BOARD HOLD REGULAR MEETING

At the meeting of the city board of trustees held last Monday, the matter of improving the streets in Redwood Highlands came up for attention. Mr. L. M. McKeever, presented a petition with 36 signatures of property owners, 35 are actual residents and one a non-resident. A large delegation from the park was present to substantiate the claims of Mr. McKeever. City Attorney Mansfield suggested that inasmuch as the matter was between the contracting parties the proper mode of procedure was in the civil courts.

The matter of purchasing the gasoline street roller came up and eight bids were received, ranging from $2000 to $4800. The board after opening the bids decided to investigate the rollers in action and decide on which one to accept.

The board adopted a proclamation fixing a special bond election for municipal improvements to take place on May 20.

NOW IS THE TIME
To Pack Eggs for Future Use

All surplus stock is going into storage.

Cheaper prices will not prevail this year.

This is the advice that we are receiving from the commission houses and we give it to you in order that you may use your own judgment.

Peace has not yet been declared. When commerce is established between the waring nations foods will move out of this country as they have never before and it is expected that higher prices will result.

We want your business and to get it we must prepare today to take care of you when you are pleased to give us that order. Don't go outside of Redwood City to buy your foods. They are being sold cheaper at home than elsewhere. Business is increasing and we will soon need more help. PACK EGGS NOW.

LA HONDA WILL WELCOME HEROES

A grand reception and benefit ball will be given to the La Honda boys from "over there" who returned during the week from the battle front The event is to take place under the auspices of their friends in and around La Honda at Woodruff Inn pavilion on Saturday evening, May 17. Five young men from La Honda saw service over seas, each giving a good account of himself. One young man was killed in action and two wounded. Young Zanone returned during the week with the 363 regiment. In appreciation of the splendid services of the boys at the front their friends are going to make this event one long to be remembered. It will be in the nature of a welcome home. Such a home-coming is certainly worthy of every effort on the part of those desiring to show their appreciation for the services rendered by the young men who staked all that freedmon might continue unhampered throughout the country.

The five young men from La Honda all saw service overseas. These heroes are Louis Zanone, who was wounded in battle and remained five months in a hospital ,James Zanone, Frank Misquite, brother of Jack Misquite, the traffic officer; Joseph Fadima and Joseph Bassana, who was killed in battle. SUPERVISORS IN REGULAR SESSION

The board of supervisors met in regular session Monday, April 21, 1919.

Chairman MacBain reported that he had received $300 from the Portugese Society of San Francisco to help defray the expenses of sending a needy family living in the north end of the county back to Portugal, the understanding at a previous meeting being that the county would appropriate a like sum for this purpose.

On motion of Brown, seconded by Francis, it was ordered that the $300 be turned over to the county social service commission, and that the matter of arranging for the purchase of the tickets and the securing of the passports for the family, the father whom is very ill, be left to the commission and Chairman MacBain.

A petition signed by G. Scalmanini and fourteen other persons, asking for the abandoning and closing of certain streets and avenues in a tract of land known as "Francisco Heights" near the town of Halfmoon Bay, was received, the petition stating that the thoroughfares asked to be closed were no longer necessary and that the property in question is being used for the raising o fartichokes.

Attorney Hall C. Ross of Redwood City appeared as the representative of the petitioners and asked that a hearing in the matter be set by the board for Monday, May 19.

This being the time set for the hearing of the application of Peter Kleinsorg of La Honda for a permit to operate an auto freight service between the latter place and Redwood City, Attorney Lee T. Ross of Redwood City, representing the applicant, presented an affidavit from the tate Sealer of Weights and Measures, showing that the weight of the truck used by Kleinsorg in his business did not exceed 4260 pounds. The question of Kleinsorg exceeding the limit allowed by the county of six tons for the combined weight of truck and load having come up at a previous meeting, Attorney Ross ragued that it would be impossible for a truck of the above weight to carry a load sufficient to exceed the limit.

Attorney James T. O'Keefe, representing A. H. Wetherbe and H. E. Woodhams, who are at present operating freight and passenger automobiles between Bellvale and Redwood City, argued that the public necessity did not demand a third service between the two places.

Attorney Ross stated that the kind of people served by Kleinsorg were entirely different from those served by the other two operators. The former carried dairy products and apples direct from the coast side of the county to San Francisco, via. Redwood City, and no passengers.

With this explanation, Attorney O'Keefe withdrew his objection to the application and the permit of Kleinsorg was granted, on motion of Hickey, seconded by Francis.

The Auto Transit Company was granted a renewal of its vehicle permit, on motion of Hickey, seconded by Brown, the application having been filed at a previous meeting and the necessary notice of hearing having been published, as required by the county ordinance.

The board at this meeting took official action, on motion of Hickey, seconded by Brown, to purchase the twenty-one acres of land from Kenyon O'Grady at Beresford for the new county hospital site, the price paid for the same being $1000 an acre. The purchase of the property was made subject to a clear title being furnished by O'Grady.

WILLIAM H. BARG MADE DEFENDANT IN DAMAGE SUIT

William H. Barg was made a defendant in a damage suit yesterday in the superior court when Anita Davis and her husband, B. D. Davis, filed an action against him to recover damages in the sum of $26,000 for alleged injuries received in an automobile collision occurring on the highway near Redwood City on February 1st, 1919. The complaint states that Mr. Barg's machine skidded and ran into plaintiff's automobile. Mrs. Davis was severely injured. Mr. Barg was also hurt and he may turn the tables by bringing a suit against plaintiffs for damages. The complaint alleges that the sum of $1000 was paid for doctors, medicine, etc., and that the sum of $25,000 would be reasonable damages.

SENATOR PHELAN TO BANQUET BOYS

The following letter received by Mayor Mabie yesterday is self-explanatory:

San Francisco, April 24, 1919.—To the Honorable Mayor, Redwood City: Dear Mr. Mayor.—In response to invitation from United States Senator James D. Phelan, tendered through San Francisco Chapter, American Red Cross, five hundred men of the gallant 363d regiment of infantry will attend a barbecue at his ranch, near Saratoga, on Tuesday, April 29, 1919.

Motor transportation for the entire party will be furnished by this Chapter, and the 150 or more automobiles are scheduled to start from the St. Francis Hotel at 9 a. m. sharp and travel at moderate speed. The time of their arrival at Redwood City may thus be calculated.

Because of the length of the journey, 48 miles, it will be impossible to halt for formal welcome while en route, but the people of Redwood City, if notified in advance will have opportunity to see and honor these California heroes of the Argonne as the procession passes through the streets.

This will probably be the final public appearance of the boys prior to their demobolization.

May I ask you to kindly send me copies of any notice given by your press to this event?

Sincerely yours,
JAS. CRAWFORD,
Director of Publicity, S. F. Chapter

It is gratifying to announce that the Victory Loan bonds are being generously subscribed by the people of San Mateo county. Every section is buying liberally and the county is certain to go over the top. It has always done so in similar drives and it will not fail on this occasion.

REDWOOD CITY HAS A VERY BRIGHT FUTURE

Redwood City is very soon to experience a boom in real estate and building. Several factory sites are to be located at the water front that will employ a large number of men that need homes. Redwood City is soon to come into its own. Watch Redwood grow.

BONDS SHOULD CARRY FOR NEEDED IMPROVEMENTS

The bond election that takes place on May 20 should be successful for the money to be raised is for needed improvements for the town. These contemplated improvements are absolutely necessary, the longer they are delayed the more the tax payer will have to pay. Should the bond issue fail at this time the board would be justified in levying a direct tax and go on with the work. Under the law they have that right and no doubt the trustees will exercise it for it will be for the best interest of Redwood City. A direct tax would be burdensome while bonding the city for a period of years the burden would fall lightly on all. If the tax payer will consult his own interest he will vote for the bonds at the coming election. The money is needed and needed right now to make necessary repairs and certain improvements that cannot be delayed.

WANTED A FINANCIER

When the Republican party returns to power with the first session of the Sixty-sixth Congress it will be confronted by the most serious problems of financial reconstruction in the history of governments. During the last 18 months the American government has expended about twice as much money as any other for the same period. The greater portion of this money, however, was collected on loans; despite enormous revenue bills, the government is still spending nearly three times as much every months as it gets in taxes.

In the United States Treasury at the present time is $2,550,000,000 in gold; more gold than was ever there before; twice as much gold as was ever assembled in the treasury of any other country known to history. But for every dollar of gold the government owes to private creditors about $10. And in the fact of this enormous and constantly-increasing indebtedness the Democratic majority in the last Congress celebrated its demise by passing a rivers and harbors bill which is said to contain more swag than any of its long list of infamous predecessors. The deserving Democrats realize that power was slipping away and they assembled for one last big raid on the treasury before Republican watchdogs could be placed on guard.

Never in its history has the Republican party failed to honor a trust reposed in it; never has it flinched before its plain duty by reason of obstacles in the way. But it is a labor of Hercules to reduce the cost of government to an equilibrium between receipts and expenditures. Great emergencies are said to create great men but to this rule the financial follies of the Sixty-fifth Congress present a glaring exception. Chairman Kitchin of the Ways and Means Committee of the House of Representatives was honest and sincere; but he lacked alike financial genius or financial sense. His attempts to co-ordinate income and expense at times approached the grotesque. He was a few degrees less practical than Mark Twain's famous "Mulberry Sellers." As a watchdog of the treasury he proved a howling farce. When Mr. McAdoo resigned as Treasurer to go with the movies he made what was tantamount to an open confession of the deplorable condition of national finances.—L. A. Times.

SENATOR M. B. JOHNSON AUTHOR OF SEVERAL BILLS

With the close of the legislative session and making a review of the things accomplished, we are naturally particularly interested in what way our district will be directly benefitted by the new legislation.

The Eleventh Senatorial district, which comprises San Mateo, San Benito and Santa Cruz counties and which has been so ably represented by Senator M. B. Johnson of Monara, has been exceedeingly fortunate in sharing of the benefits of many new measures. Senator M. B. Johnson was author of a number of bills which were of particular interest to his district and was an ardent worker in practically all of the principal propositions before the Senate. He was a member of committees on Banking, Corporations, County Government, Education, Judiciary, Public Charities and Corrections, Public Health and Quarantine and Universities and was the chairman of the committee on Roads and Highways. Out of thirty measures which have been approved by the Governor before the close of the session, three were bills of which Senator M. B. Johnson was author.

In an interview with Senator Johnson about the measures in which he is personally interested, as author of the bills he dwelt on a few which are of particular interest to his district. He said in part, as follows:

"Many people from my district are interested in my Swamp and Drainage bill. Under the general provisions of the law as passed for the purpose of taking care of the large swamp and drainage districts in the Sacramento and San Joaquin valleys, many things were written into the law for the benefit of the larger districts which really preclude the carrying on of tois work properly in smaller outside districts. It has been my pleasure to put through a bill at this session of the Legislature that will permit the taking up of this work in the smaller districts thus opening up much new land to cultivation throughout the entire state. This bill was known as Senate Bill No. 388 and is an act amending sections 2455 of the Political Code.

Power of Supervisors Regarding Roads in Adjoining Counties.

An amendment to the law pertaining to the duties and powers of county boards of supervisors provided that the board may, if necessary, take over roads in adjoining counties, maintain and correct the alignment if deemed of public benefit and convenience. Such a provision is of immediate benefit to San Benito and Santa Cruz counties as the supervisors now contemplate on making just such a transfer. It is a road which leads from Watsonville, south to Salinas. It passes through San Benito county but is of no benefit to the county through which it runs.

Liability of Public Officers

Another of my bills, relative to the liability of public officers which has passed, will clear up many things which have caused considerable trouble in the past, especially to the boards of supervisors.

Constitutional Convention.

In my estimation, the constitutional amendment providing for the submission of a new constitutional convention to the people of the state is one of the most important measures adopted in this session of the legislature. It is intended for the purpose of improving the laws of our state set forth in the consitution and upon which is based the balance of the laws of the state. Believing this as I do, and have for some time past, it was my pleasure to put through the present session of the legislature an amendment to the constitution calling for the submission of this matter of a new constitution to the people of the state.

The Fourth Million Dollar Road Bond Issue.

Being chairman of the committee on Roads and Highways in the Senate, now for two terms, it was my pleasure to be the author of the bills which provide for the submission to the people of the state the matter of the proposed state road bond issue amounting to $40,000,000.00. This particular measure is of direct benefit to the district I represent. The Skyline boulevard, running from Santa Cruz to San Francisco is included in the list of roads which will be provided for in the bond issue, also the road from Pacheco Pass into Hollister in San Benito county. The other roads as provided for which run through other counties are also regarded as a benefit to the counties of this district. The people of this district as well as the state will have their opportunity to vote for these bonds on Tuesday, July 1st, and I am sure the Eleventh Senatorial district will vote in favor of the bonds—and 100 per cent favorable. The proposition of the plans and arrangements for the submission of this question to the people was placed under general directions and it has been both a duty as well as a pleasure to give this the majority of my time during the entire session of the legislature.

In addition to this I have been lending my assistance t secure the completion of other road work, especially the highway between Los Gatos and Santa Cruz and other roads in which the three counties are directly interested.

These were only a few of the many masures that called for my constant attention throughout the session and of which I attempted to give my best endeavors and help to accomplish what I consiedred to be for the best interests of my district and the general interests of the state at large."

One of he clever and eloquent members of the Senate in open session stated that Senator Johnson was carrying the responsibilities of the world on his shoulders but this was only one way in expressing that Johnson was one of the hardest workers and most conscientious members of the legislature.

A. P. Bellisle, of San Mateo, was secretary for Senator Johnson during this session of the legislature.

Hunters Point Project.

Senator Johnson was an ardent worker in the senate in support of the bill providing for the Hunter Point project. San Mateo county would be directly benefitted by this measure and this fact was not overlooked by him. The bill passed both houses after considerable discussion and a number of public hearings and is now in the hands of the governor awaiting his signature.

SAN CARLOS NOTES

Mrs. M. E. Quinn, her son Frank, and her four daughters, the Misses May, Eileen, Jannet and Edith went to the home of Mrs. La Place, the sister of Mrs. Quinn, in San Francisco last Tuesday to join in greeting and celebrating the home-coming of Captain Louis La Place who bears a conspicious record from the front in connection with the Motor Transportation Corps. Captain La Place went to France 18 months ago as a private in the 18th Engineers, and was later commissioned a second lieutenant in the Motor Transport Corps. Entering the Argonne fight on the morning of September 26, he went into action with his corps, carrying thousands of rounds of ammunition up to the fighters on the line, many of them being the boys of the famous 363d from San Francisco. While driving through a cloud of gas the truck upon which Captain La Place was riding was hit by a high explosive shell, fragments of which killed several enlisted men aboard the truck, and one of which hit the captain in the head, inflicting a severe scalp wound. Captain La Place rallied his men and delivered the much needed ammunition to its destination in the front-line trenches. On the way back he was ordered to the hospital, but declined the order. He kept fighting all that day and part of the next. Thirty-six hours after he had been wounded, his face had swollen to such an extent that both his eyes were almost closed completely. Captain La Place fastened a hot-water bottle to his head and for nine hours longer, continued in action, making seven trips to the front line trenches. He finally collapsed with the pain and was taken to the rear, and while recovering from his wounds was cited by Brigadier General Walker. Owing to Captain La Place's many visits to San Carlos to visit the Quinn's and for hunts on the marsh here he is well-known to the people of San Carlos and in fact we feel a sort of a proprietary interest in the Captain, if he is a resident of San Francisco, and we are all proud of his many daring exploits and the fine record he brings home to his brave and plucky wife and their many friends.

We told you there would be something doing when our new lady trustee got into power with a chance to get into action; The first innovation which she will inject into our sleepy, quiet town is that of a mask ball which she and Mrs. D. L. Stewart will pull off at the school house on the evening of May 3. There will be prizes for the best sustained characters; and you can be minus character of any kind so long as your faces are covered up. Refreshments and good music are guaranteed. Our new trustee is a good cook and the good feed is a foregone conclusion. Admission only 25 cents; and the whole peninsula is invited. Come early and avoid the jam.

The Misses Genevieve and Bessie O'Brien of San Francisco were here last week visiting at the homes of Mrs. Mahany and Mrs. Botterell.

Miss Claire Jones returned last Saturday from a week's visit with her aunt, Mrs. Philo S. Johnson at Calistoga.

Miss L. R. Bush of San Francisco is a guest at the home of Mrs. Virginia A. Lord.

Mrs. Philo S. Johnson and Master Everett were week-end visitors at the home of Mrs. Johnson's sister, Mrs. E. E. Jones.

Mrs. Lillian Peterson, with her two winsome daughters, the Misses Norma and Carrol in company with Mr. Hugo Olsen were guests at the L. A. Conklins' over the week-end.

Mrs. G. Eldridge and Mrs. E. A. Eaton of Oakland were here for a few days' visit with Mrs. Virginia A. Lord.

Mrs. T. J. Conway who has been here for a protracted visit with her parents the Botterels, while her husband was in Old Mexico looking after mining interests left last Wednesday morning on the Shore Line Limited for Tucson, Arizona, where she will be joined by Mr. Conway.

Miss Kitty Jarmey of Oakland is here for a few days visit at the home of Mrs. Virginia A. Lord.

Under the supervision of Fred H. Drake the San Carlos Land Company now have four modern bungalows in course of construction, three of which have been sold to Messrs. Arlington Denny, A. M. Planka and Samuel Schooley. The other one is for sale.

Mr. John A. Larson is now having plans prepared for a new bungalow which he expects to build very shortly.

Superintendent of Public Instruction Jno. V. Clark is a very busy man now days extending the water system to connect up with these new homes.

Miss Elizabeth McNally of Pasadena was here for a few days' visit with her old friend, Mrs. Fred W. Lippman, at Laurel Nook.

Mrs. F. W. Lippman was a guest of Mrs. E. F. Bishop of Honolulu at the Palace Hotel the first part of the week. Mrs. Bishop is over from the islands for a three months stay in California.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Menlo Park N. S. G. W., No. 185, enjoyed a large initiation and welcome to the home-coming boys on Thursday night. About 30 members were present. Harry Walsh and Frank Derry who were at the front in France and who returned with the 363rd regiment on Monday were the guests of the evening. They told in eloquent language their experiences in battle. Mr. Walsh was gassed and wounded in the battle of the Argonne and for over two monthes was confined to a hospital. Both young men were delighted to get home. The following young men were initiated: Edward Kavanaugh, Edward Polson, Sam Nash and L. Faber. Delightful refreshments were served the guests at the completion of the routine business.

Menlo Park was a deserted village on Tuesday. All went to the city to see the boys come back from France. The day will long be remembered by the mothers and fathers of the boys who longed to grasp their dear ones in a loving embrace.

The United States Public Health Service Hospital, formerly known as the Camp Fremont Base Hospital, may be one of the largest institutions in the country for the care of men who have been disabled in service it became known this week.

The hospital is now in charge of Surgeon Mark J. White, assisted by Doctors Hoey and Sibert, and Pharmacist Gibson. Work will begin immediately, according to Dr. White, in the remodeling of the hospital for permanent occupation and for the comfort of the patients.

There are at present thirty-six patients in the institution, but more are expected immediately and it is not improbable, according to authorities, that the hospital may be filled to its limit capacity of 1500.

In speaking of the class of men admitted to the hospital, Dr. White said: "Any man or woman who has been discharged from the military service of the country can be admitted. Continued treatment will be conditioned upon proof that the disability was caused while the person was in the service or that it resulted from service conditions."

Mervyn McEvoy, only son of Mr. and Mrs. P. H. McEvoy of this place, was united in marriage to Vera Sprague at San Luis Obispo recently. The bride is a charming and pretty girl and a belle of San Luis Obispo where she has resided for some time. Mr. McEvoy is an engineer for the Southern Pacific Company. His run is between San Luis Obispo and Santa Barbara. For a number of years he has been in the employ of the company. Young McEvoy was born in Menlo Park, he is an exemplary young man worthy of the sweet girl he has chosen for a life partner.

Bishop Nichols confirmed a class of twenty boys and girls in Trinity Episcopal church last evening. The class had been preparing for some time. This is the last time the revered bishop will administer the sacrament here as he retires as bishop on June next.

The Menlo Park baseball team defeated a nine at Runnymede on Sunday last on the latter's diamond by a score of 6 to 7. It was the first game of the season. The local aggregation of players is ready to meet all comers.

Rev. Cornelius E. Kennedy, who was chaplain at Camp Fremont for some months, left last week for Fort Rosencrans, San Diego ,to become Knights of Columbus chaplain there. Before leaving here he was located at the base hospital.

Mr. Watrous, secretary and treasurer of the Gulf Mail Steamship Company, has purchased the Rothchild place formerly known as the Defender's club. He is improving the place and will occupy it shortly. Mr. Watrous comes from Berkeley where he has an attractive home but he believes the climate here is better than across the bay. The property owners in the locality of the Rothchild mansion will now breathe easier and a weight will be removed from their minds. It was rumored some time ago that the building was to be transformed into a tuberculosis hospital, this announcement caused a furor among the residents of that pretty section. The difficulty is now removed and all will be happy.

Samuel M. Shortridge Jr., has been appointed one of the Victory Loan speakers for San Francisco. This is the young man's first appearance as a public speaker. His friends are certain he will acquit himself with success.

Notwithstanding the fact that Menlo Park is an absolute dry town more intoxicated people are seen on the streets nowadays than during the palmy days of the wide-open saloon.

J. V. Verka, station agent at Gonzales for a number of years, has been appointe dthe station agent here. He will assume his duties next week.

Practically the last of the soldiers at Camp Fremont left on Monday evening. There were about 65 regulars remaining and they left for Camp Lewis. There are still at the camp about four privates and fifteen officers who will close up the business of the cantonment in about two weeks then Camp Fremont will pass into memory.
